

TOWN OF WOODLAND
ANNUAL TRANSPORTATION PLAN
FY2026 – 2027

In accordance with Act 2019-2 known as the Rebuild Alabama Act, The Town of Woodland's Transportation Plan for Fiscal Year 2026-2027 is as follows:

The anticipated allocation from the Rebuild Alabama Act Fund for Fiscal Year 2026-27 is approximately \$20,000.

The Town of Woodland has applied for the Rebuild Alabama Grant funds and plans to use said funding to assist with paving the following roads, as grant funding cannot exceed \$250,000:

- Wilson Street
- Williams Street
- Lovvorn Drive
- McCarley Street
- Woodland Drive

Total Project Cost: \$465266.68

Estimated Funding Summary:

Rebuild AI Funds- \$65000-

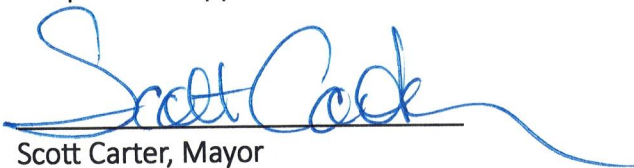

FY 2025 Rebuild AL Grant – \$250,000

Gas Tax Funds- \$15000-

General Fund- \$135266.68

In the event that the Rebuild Alabama Grant Funds are not awarded, the Town of Woodland will utilize the anticipated funds from the Rebuild Alabama gas tax to repair/resurface the first priority which will be Williams Street and McCarley Street. This will be with the exception of the 2026-2027 budget having sufficient funds to cover the additional cost to complete the project. Otherwise, the Rebuild AI Funds will be placed on hold until the Town accumulates enough revenue to move forward with the project.

Adopted and approved this 10th day of August 2026
